

# Proverbs Daily Dose of Wisdom Devotional

## Chapter 11 By Jim Nelson

### July 11, 2015

In today's devotional we are looking at Chapter 11 in Proverbs. Throughout the course of this chapter we are continually seeing the fruit offered for a Godly life verses an evil life. Perhaps even, good vs. evil if you will.

In verse 19 it's very simply stated, "Godly people find life, evil people find death." (NLT) Things haven't really changed since this statement was originally written. The choice of how we live is still and always will be our choice.

If one day you're confronted with a decision to make, do so wisely, and remember verse 27: "If you search for good, you will find favor; but if you search for evil, it will find you!" That's just one of many to think about. Have a good day.

I encourage you as you read chapter 11 of Proverbs to think about your choices and make wise decisions which will bear good fruit.
